

Specifications

2010-2-NB

Protocol	Proprietary based on RS485
Class	Class A
Max. distance between nodes	1200m

Weight	0.04 kg
--------	---------

2010-2-RB

Outputs qty	8
Used as relay	30V / 2A (2 NO and NC, 6 NO or NC)
Used as open collector	Max. 35mA
Output cable type	Recommended 2 core 1.5mm+ twisted pair

Weight	0.05 kg
--------	---------

Environmental conditions

Storage temperature	-10°C to +50 °C
Operating temperature	-8°C to +42 °C
Relative humidity	max. 95 % (non-condensing)

Ordering Information

2010-2-NB	Addressable Fire Panel Accessory - Network Printed Circuit Board
2010-2-RB	Addressable Fire Panel Accessory - Relay Printed Circuit Board - 8 outputs
2010-2-RB-6R	Addressable Fire Panel Accessory - Relays - 6 pieces

- ◆ 2010-2-NB
 - » Class A network
 - » 1200m between nodes
 - » For panels and repeaters
 - » Up to 32 nodes / 32 loops
- ◆ 2010-2-RB
 - » 8 outputs
 - » 6 open collector (optional relays)
